EVENTS AND MEETINGS SPACES

We have re-purposed some of the long-standing structures at the georeserve's multipurpose zones for low-impact and sustainable meetings and events.

SILAYAN

Silayan is a hilltop hut that boasts of amazing 360-degree views of our natural environment overlooking the Masungi limestone formations, Laguna de Bay, Metro Manila's skyline, and the Sierra Madre mountain range.

Silayan's design elements are handcrafted with love and passion by our park rangers and craftsmen. Using sustainable resources found within the Georeserve, such as reclaimed timber from fallen trees, Bamboo culms, and Cogon grass, they have turned remnants of nature into works of art that are elegantly Filipino.

GEORESERVE POLICIES

Our conservation policies revolve around the idea that the georeserve is meant as a sanctuary and home for animal and plant life in the Philippines. Appropriately, as visitors, we must treat the area with respect and conscientiousness.

1. Access to the georeserve including the trail is designed for end-use, private groups only. Visits must be requested and arranged ahead of time.
2. Absolutely no littering of any kind allowed.
3. The park is strictly a non-smoking zone due to the air and health pollution that it causes.
4. Noise is not permitted as these may post strain on the area's wildlife.
5. Should you be fortunate to encounter wildlife, do not feed or touch the animals. Picking up of flowers, rocks, and other specimens are likewise prohibited. Ensure that permission is sought from the management should this be necessary.
6. Omit personal tipping. This ensures non-interference of visits to priority conservation work, and encourages consistency in experience among guest visits.
7. Always listen and follow the safety instructions that will be shared by park rangers.

The management has the responsibility, and reserves the right to deny access and impose penalties for failure of compliance to the policies above. Please take note that a penalty of PHP 3,000.00 applies for first non-compliance to littering, smoking, and picking/collection of animals, plants, and rocks policies.
