

# THE MASUNGI GEORESERVE

## MASUNGI GEORESERVE

Garden Cottages,  
Kilometer 45 Marcos Highway,  
Baras, Rizal, Philippines

[trail@masungigeoreserve.com](mailto:trail@masungigeoreserve.com)

Home to massive limestone formations, and hundreds of plant and animal species, The Masungi Georeserve is dedicated to the conservation and appreciation of the area's landscape. The tranquil rainforest, winding trails, and fresh air make for a unique discovery trail experience.

## WHO IS IT FOR?

Anyone looking to commune with nature is welcome! Lined with concrete blocks and stone trails, but still having the challenge of varying terrain, it is suitable for both beginners and frequent hikers. Back trails allow for flexible trail lengths. Note, however, that with a hanging bridge integral to the trail, only children 13 years of age and above are allowed.

## THE POLICIES

The wildlife in the area has called this place their home far before we reached it. The simple policies below make the georeserve enjoyable for everyone involved:

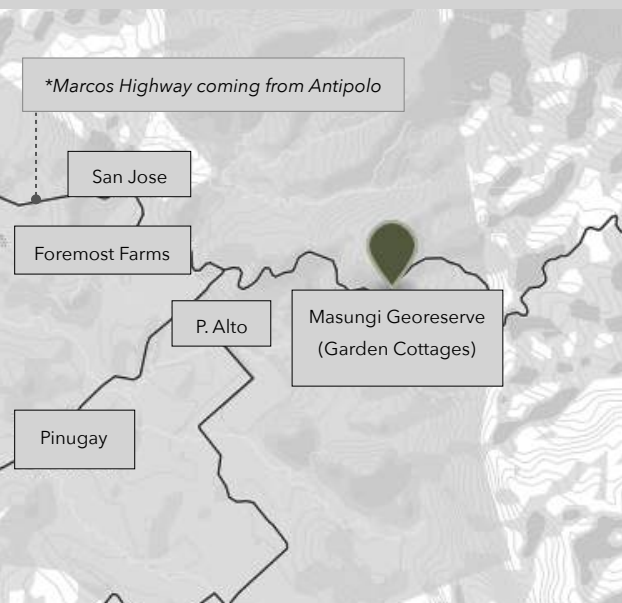

- No littering allowed.
- The park is strictly a no-smoking zone.
- Boisterous noise is not permitted.
- No picking up of flora, fauna, rock samples without permission from the park.
- Should you be fortunate to encounter wildlife, do not feed or touch the animals.

The management has the right and the responsibility to enforce the policies above, and impose penalties, as needed.

## OPERATING INFORMATION

- *Trail Visits:* Open for trail visits by Dec 2015. Trail visits must be booked in advance (at least three days ahead of the visit). This requires a deposit of 50%. Walk-ins are not allowed.
- *Days and Hours:* Tuesdays to Sundays, 7:30 am or 1:30 pm. The trip lasts for 3-4 hours depending on the group's pace.
- *Fee:* PHP 1,500.00 per person (groups of 7-14) inclusive of a dedicated park ranger, guest kit and complimentary snacks & refreshments.

## GETTING THERE:

The Masungi Georeserve is located along the scenic road of Marcos Highway. It takes approximately 1-1.5 hour from Quezon City, Metro Manila reach the area by private car transport.

## WHAT TO WEAR:

Casual, lightweight & comfortable clothing, paired with non-slip closed shoes, is the required attire.

## WHAT TO BRING:

Only bring yourself! Your own water, towel, and clothes to change in after the hike may be convenient for some guests.

## WEATHER INFORMATION:

Weather in the georeserve is generally tropical and humid (24-31 degrees celsius range). The dry season is from November to April, while the wet season is from May-October. January is often the coolest month, while May is often the hottest.
